PRIMARY CARE ACO

**Rated Number ONE in Arizona by
CMS for Quality and Savings**

Commonwealth Accountable Care Organization (ACO) is a partnership of Flagstaff Physicians working together to improve the health of people in Northern Arizona.

Our goals:

- enhancing communication between all medical providers and clinics
- streamlining processes
- providing quality cost-effective care
- improving health outcomes.

We understand that you have a choice when deciding where you receive medical care, which is why we have created the largest network of local primary care providers working together to benefit our patients through seamless coordination of care.
